

MINUTES OF MEETING OF THE 3rd MEETING OF BOARD OF STUDIES

The 3rd meeting of the Board of Studies of Department of Health and Life Sciences of TLSU was held on 7th September 2018, by circulation to discuss and approve the items as included in the Agenda.

1. Approval of programme structure in these general education courses

After completion of two batches of DMLT, and with inputs from the industry, the Department of Health, Life and Applied Sciences had proposed to modify the programme structure in these general education courses to make them more practical orientated by altering the original structure as well as content from the new batch from academic year 2018-19. The changes have been highlighted in the attached document as Annexure 1 as follows:

| Sr # | Item Revised | Description of changes | Page Number | |
|------|--|--|-------------|---------|
| | | | Original | Revised |
| 1. | Programme Structure | Change in credits and duration | 2 | 2 |
| 2. | Course: Elements of English and Communication Skills | Division of original theory course into different theory and practical courses | 3 | 4-6 |
| 3. | Course: Personality and Jobs Skills Enhancement | Conversion of Theoretical course to practical course | 6 | 7 |
| 4. | Examination Scheme | Change in examination scheme as per point # 1,2 & 3 | 9 | 9 |

2. Approval of a 3 Credit theory course in Environmental Science to students of Semester II B.Sc. Mechatronics, Department of Mechatronics

The proposed syllabus has been tailor-made based on the requirements highlighted by the concerned department for the said programme, but it may be offered to other programmes if required. The syllabus for this course is attached as Annexure 2

As this was a two item agenda, it was proposed to pass this through circulation only. All the Board Members approved of the changes via email.

(Chairperson)
